Overview

The Architerrax portfolio competition 2021 aims to provide an international platform for architecture students to showcase their designs.

A portfolio is essentially a tool used to present and demonstrate one's skills. This competition identifies outstanding students who balance academic excellence with a versatility and it helps them gain recognition amongst architecture firms globally.

Brief

In this competition, you are expected to create a collection of three of your most spectacular designs and showcase them in the form of a portfolio.

Competition Rules

1. Within 96 hours of completing the registration checkout, you will automatically receive an email from architerrax with your Unique Registration Code (URC). URC is the method of identification for this competition.
2. Architerrax does not guarantee any job/internship to the finalists, this is solely on the discretion of the architecture firms.
3. The registration fee is non refundable. It will only be refunded if the competition is cancelled.
4. Architerrax is the competition organizer and it reserves the right to modify the competition schedule if deemed necessary.
5. Architerrax will have the full authority to publish and promote the material, always indicating the author, who will remain the owner of the idea of the project. By participation in the competition you allow architerrax the right to publish and defuse the received material, and to modify it for adapting the publications formats.
6. Architerrax can modify the contents of this document provided that the majority of participants can benefit from it. Possible changes will be communicated in time, therefore it is highly recommended to check your registration email, our website, and social media for such alerts.
7. If any form of plagiarism is caught in the competition entry, that entry will be disqualified.
8. Contacting the jury is strictly prohibited.
9. Participant teams will be disqualified if any of the competition rules or submission requirements are not adhered to. Participation assumes acceptance of the regulations.
10. The decision of the jury and organizers shall be final and no requests for the details of the evaluation process and re-evaluation shall be entertained.
